**PURPOSE:** To request Commission approval to purchase two (2) Self-Contained Compactors for Landfill.

---

---

**BACKGROUND / HISTORY:** The Landfill Commission has recommended the purchase of Two (2) Self-Contained Compactors to the Board of Commissioners and feels like it is an immediate need for the Landfill to continue the excellent service that is being provided. The County issued a Request for Proposals for two (2) Self-Contained Compactors. FleetGenius of NC, Inc. submitted a most advantageous proposal in the amount of \$52,035.91 to be paid of the Landfill's FY2024 capital budget.

---

---

**FACTS AND ISSUES:**

- a. FleetGenius is the recommended vendor with a quoted cost of \$52,035.91 for two compactors.
- b. Cost includes both compactors with delivery fees.
- c. The only other bid was from Canadian company which quoted at nearly \$15,000 higher than FleetGenius. They did not complete the bid packet and all necessary paperwork, leaving us with only FleetGenius to consider.
- d. Funding will come from the Landfill's FY2024 capital budget.
