Transmittal Letter

The Honorable Chairman and
Members of the Board of Commissioners:

In accordance with state and local ordinances, I am pleased to present the Fiscal Year (FY) 2016 Approved Annual Budget. The FY 2016 Annual Budget was carefully constructed, with respect to the current economic situation and needs of the citizens of our county. Throughout the budgeting process it was paramount that expenditures reflect as accurately as possible to departmental needs, so that funds are available for those items that remain outside of the county's management. We welcomed citizen input during two (2) public meetings held June 15th through June 22th, 2015. We remain committed to protecting the integrity of the county in all fiscal and budgetary matters.

The fiscal management over the preceding two years has led Habersham County towards an estimated increase in the unassigned Fund Balance of \$1.24 million. The increase in unassigned Fund Balance from FY2013 to FY2014 was \$740,247, whereas FY2014 to FY2015 is on track to have an estimated increase of \$500,000. Unassigned fund balance serves as a useful measure of a government's net resources available for spending at the end of a fiscal year. Several challenges were presented with the formulation of the FY 2016 budget. Requests for additional positions and market comparable salaries remain a concern for numerous departments. The increase in employee health insurance, increase in subsidy to Habersham Medical Center for EMS services, and adoption of the Industrial Development loan exceed an increase of \$498,000 annually. These challenges were met in the most conservative manner plausible and without an increase to the millage rate. While the FY 2016 budget looks forward it is necessary to look back at FY 2015 to get a picture of where we have been and where we are going for 2016 and beyond.

In FY 2015, the County:

- **Special Purpose Local Option Sales Tax (SPLOST):** In November, 2014, Habersham County and its seven municipalities voted to approve a new 1% Special Purpose Local Option Sales Tax (SPLOST). This tax was implemented in April, 2015. This is SPLOST VI and has been estimated to collect \$6,250,000 per year or \$37,500,000 over a six-year period. There is one level two countywide project: Habersham County Medical Center that will receive 20%. The municipalities within the County will share 30% of the SPLOST proceeds and Habersham County will receive 50%.
- **Issuer Credit Rating:** The County's general obligation bond rating has been recently updated by Moody's Investors Service to "Aa3" on its Series 2014 Bonds that we used to refund the Series 2007 Hospital Authority Bonds. Standard and Poor's most recent review of Issuer Credit Rating for Habersham County was updated to "A+".
- **Roads Paved:** Habersham County has 506.62 miles of roads, of which 403.10 are paved miles and 103.62 are graveled miles. In FY 2015 12.68 miles of roads were paved and/or resurfaced. The county continues to fund a road-paving program utilizing a combination of State aid and SPLOST funds as allowable by funding specifications. The State of Georgia Department of Transportation LMIG Program approved \$499,248 for seven (7) projects which began receiving bids in May of 2015. The remaining \$734,071 budgeted expense for these projects is funded from SPLOST VI.
- **County Website:** The Habersham County Government unveiled its newly designed, comprehensive website February 23, 2015. This new format gives citizens and visitors resources for information and regular updates, with the goal of being as complete and helpful as possible. The site was redesigned to contain an updated look and features, including easier accessibility from mobile devices. The web address is www.habershamga.com.

- County Logo: The Habersham County Government adopted a new logo in April of 2015. This logo replaces the round seal logo selected through a competition and previously adopted in 2007. The new logo provides a streamlined and simplified identification of County materials. The County departments have begun phasing out the old logo.
- Sheriff's Department: In accordance with the Sheriff Department's purpose of protecting and serving the citizens of Habersham County, the ability to plan capital expenditures so there is no shortage of the equipment necessary to perform the required duties remains a top priority. Within FY 2015 The Habersham County Sheriff's Department purchased four new patrol vehicles. The county continues to split the funding of these Sheriff vehicles through SPLOST and the General Fund.
- Emergency Medical Services: Approximately 6,200 emergency and non-emergency calls per year are handled by the EMS. In an effort to maintain the efficiency and excellence of this service equipment is constantly updated.
- Transit: The door-to-door transportation system provided by the Habersham County Transit Department continues to fill a large need within our rural community. Throughout the FY 2015, ridership averaged 400 trips per month and was continuously increasing throughout the year. Through partnering with local organizations, transit fee revenues are expected to increase by 400% over the prior year. Additionally, transit will be replacing a van through a grant with State of Georgia Department of Transportation FTA 5311 program.
- Airport: The construction of the parallel taxiway phase I at the Habersham County Airport is well underway. The total project estimated cost of the project exceeds \$5.2 million with State and Federal funds totaling \$4.9 million.
- Recreation: The Ruby Fulbright Recreation and Aquatic Center underwent renovations in FY 2015 of \$315,000 from SPLOST IV funds. Renovations included updates to aquatic facilities, locker rooms, and lighting. The Recreation Department is already seeing savings in utility bills from the updated lighting. The Recreation Department has gross revenues from its gymnastics program of \$142,000 for the year to date.

Millage Rate:

- The Habersham County Board of Commissioners FY2016 budget will once again operate without a millage rate increase. The FY2016 budget retains a millage rate at 10.785.

The remainder of this transmittal letter details in general terms the budgetary decisions/actions pertaining to the operating and capital budgets, and expenditures and revenues for each fund and changes in fund balance.

FY 2016 Approved Budget Overview/Highlights

As mandated by the State Law, the FY 2016 Approved Annual Budget represents a balanced budget for the general fund, all special revenue funds. Total appropriations from each fund do not exceed estimated fund balances, reserves, and revenues for each of the county's respective funds.

- Capital Improvements Fund: The CIP fund is budgeted for FY 2016 at \$60,000 less than prior year. The largest expenditures in CIP FY 2016 are a \$137,000 update to the Detention Center HVAC System, and \$80,000 to replace roof, soffit, and gutters at the Senior Center.
- SPLOST V: The Board of Commissioners approved the purchase of a new Animal Control vehicle, which will be approximately \$26,500, from the SPLOST V funds assigned to public safety. As well the installation of additional security cameras at the Judicial Center, approximately \$15,000, from SPLOST V funds assigned to the Judicial Center.
- Employee Increases: The Commissioners recommended an overall increase of 3.5% to employee salaries. The salary increases will equal a \$274,707 annually. Additionally, the pay grades and steps have been adjusted to reflect the 3.5% increase.
- Employee Health Insurance: In order to sustain coverage at a minimal increase the Habersham County Commissioners have chosen to offer employees the choice of two different plans. This option reduces the net annual cost to the county to an increase of \$122,800 annually or 8.53%. Option 1: Employee only coverage at the same coverage as last year will cost Employees \$12.65 per paycheck. Option 2: Employee only coverage with a deductible increase of \$500 (for a total deductible of \$3,500), and maximum out of pocket cost increase of \$1,600 (for a total maximum out of pocket of \$6,600) will allow the premium contribution to remain a zero cost to employees.

- Industrial Development Authority Loan: Beginning July 1st, 2015 the Habersham County BOCC will assume responsibility for the Miller Logistics Building. This assumption of the \$113,940 debt will require the transfer of ownership of the building to Habersham County. The authority was no longer able to make payments on this loan, and therefore the County is required to intervene.
- Subsidy to Habersham Medical Center for EMS: The Habersham County Medical Center submitted a budget of \$518,783 for the subsidy from Habersham County for FY 2016. This is an increase of \$258,047 or 98.9% over FY 2015. Habersham Medical Center indicated a decrease in collections, 5% increase in employee salaries, and newly implemented 4% service fee as the reasons for the increase.
- New Positions: The Commissioners approved one (1) Full-Time 911 Communication Officer, two (2) Full-Time Deputy Sheriffs, two (2) Full-Time Detention Officers, three (3) Full-Time Firefighters, one (1) Part-Time Animal Control Officer, and one (1) temporary Full-Time Assistant District Attorney. The State of Georgia will begin funding the Assistant District Attorney in November, 2016.
- Position Reductions: The Clerk of Superior Court began providing services to the Magistrate Court in October 2014. At that time, the consolidation of services allowed for the elimination of one (1) Full-Time and one (1) Part-Time position. In May 2015 the Clerk of Superior Court notified the Board of County Commissioners that the continued streamlining of services provided the opportunity to reduce staff by an additional Full-Time position. The FY2016 budget reflects this reduction.
- Roads & Bridges: Utilizing SPLOST V & VI funding for materials in the Roads & Bridges department allowed for a \$70,000 decrease in FY2016 in the General Fund.
- Accountability Court: For FY2016 Accountability Court has been moved out of the General Fund and into its own Special Revenue Fund.
- Contingency Fund: The FY2016 includes a Contingency Fund utilizing \$250,000 from appropriated Fund Balance.
- Senior Center: Habersham County is being required by new legislation to take over management of the Senior Center from Legacy Link. We are working to keep this a revenue neutral transfer. The Senior Center program is primarily grant funded.

The FY2016 budget process was a group effort encompassing each department and elected officials' input. It illustrated the desire of all parties to work together to accomplish what is believed to be in the best interest of the citizens of Habersham County. I would like to thank each individual who participated in this process. Please feel free to contact me at any time if questions arise or I may be of assistance.

Sincerely,

Phil Sutton
County Manager

FY2016 Budget Goals & Challenges

Goals

- No County millage rate increase: 10.785
- Appropriation of fund balance for contingency
- Proposed employee salary increases
- Reduce expenditures

Challenges

- EMS budget increase: \$261,917
- Increase in health insurance: \$122,800
- Industrial Development Loan: \$113,940
- Department Position Requests: \$621,955

FY2016 Recommended Budget Significant Changes

- External expenditure increase \$498,000
- 9 new positions \$336,320
- 3.5% employee raise \$274,707
- Reduced expenditures \$333,123
- Reduced Capital Expenditures \$ 60,000

Expenditure Increases (\$498,657)

- EMS budget increase \$261,917
- Health Insurance increase \$122,800
- Industrial Development Authority Loan \$113,940

Habersham County EMS Subsidy to Habersham Medical Center 5 Fiscal Years

Habersham County Organizational Chart

HABERSHAM COUNTY

GEORGIA | Est. 1818

The Board of Commissioners adopts an annual budget for all governmental fund types, prior to July 1, except for the Capital Projects Funds. The Capital Projects Funds are budgeted by the Board of Commissioners when capital projects are approved. The operating budget includes proposed expenditures and the means of financing them. The budget is legally enacted at a public meeting.

Annually a Budget Committee consisting of the Board of Commissioners, the County Manager, and the Financial Director prepare the proposed budget. Each County Department submits their requested budget to this committee for consideration. Public hearings are held to discuss the proposed budget and obtain input from the citizens of Habersham County. These hearings are publicized for at least one week before the hearings in the local newspaper. The budget document is made available for public inspection during this period. The final proposed budget is presented at a Board of Commissioners meeting for final passage prior to July 1.

The level of legal budgetary control (the level at which expenditures may not exceed appropriations) is at the department level. Any changes in total departmental expenditures/expenses, personnel benefits, or capital purchases must be approved by the Board of Commissioners.

Budgets are adopted on a basis consistent with generally accepted accounting principles (GAAP) at the legal level of budgetary control; which is the department, sub-department, or project level. Expenditures may not exceed the appropriations within a fund. Budgets, as reported in the financial statements, are as originally passed by ordinance and subsequently amended. During the year, several supplementary appropriations are made as needed. The results are increases and decreases to the appropriations within the funds. All annual appropriations lapse at year end. The County does not use the encumbrance system of accounting.

Budget Calendar

- November Distribute capital budget and personnel request to departments.
- December Departments Submit Personnel and Capital Projects request.
- January Board of Commission Establish Budget Goals.
- February Department Submit Operating Budget Requests.
- March Manager and Commission meet with Departments and Constitutional Officials to review Budget Request.
- April Manager submits requested Budget to Commissioners for review.
- May Manager submits Recommended Budget to Commission for review.
- June Commission adopts budget for next fiscal year and establishes the property tax millage rate.
- July Budget for next fiscal year begins on July 1.

HABERSHAM COUNTY

GEORGIA | Est. 1818

**A RESOLUTION ADOPTING THE FISCAL YEAR 2015-2016 ANNUAL BUDGET;
APPROPRIATING THE AMOUNTS SHOWN IN EACH BUDGET AS
EXPENDITURES/EXPENSES; ADOPTING THE REVENUE PROJECTIONS; PROHIBITING
EXPENDITURES/EXPENSES FROM EXCEEDING ACTUAL FUNDING AVAILABLE.**

WHEREAS, the County Manager has presented a proposed fiscal year 2015-2016 Budget to the Board of Commissioners for each of the various funds of the County; and

WHEREAS, the budget is comprised of expenditures/expenses for the fiscal year 2015-2016; and

WHEREAS, each fund listed in the budget is balanced, so that anticipated revenues equal proposed expenditures/expenses.

NOW, THEREFORE, BE IT RESOLVED THAT this Budget, attached hereto and by reference made a part hereof of this resolution, shall be the County of Habersham's annual budget for the fiscal year 2015-2016; and

BE IT FURTHER RESOLVED that this budget is hereby approved, and the several items of revenues shown in the budget for each fund in the amounts shown anticipated are adopted, and that the several amounts shown in the budget for each fund as proposed expenditures/expenses are hereby appropriated to the departments/agencies/functions named in the fund; and

BE IT FURTHER RESOLVED that the expenditures/expenses shall not exceed the proposed fund expenditures authorized by this budget or amendments thereto; and, that expenditures/expenses for the fiscal year shall not exceed the revenues available.

ADOPTED this 22nd day of June, 2016.

County of Habersham, Georgia

Transmittal Letter

The Honorable Chairman and
Members of the Board of Commissioners:

In accordance with state and local ordinances, I am pleased to present the Fiscal Year (FY) 2016 Approved Annual Budget. The FY 2016 Annual Budget was carefully constructed, with respect to the current economic situation and needs of the citizens of our county. Throughout the budgeting process it was paramount that expenditures reflect as accurately as possible to departmental needs, so that funds are available for those items that remain outside of the county's management. We welcomed citizen input during two (2) public meetings held June 15th through June 22th, 2015. We remain committed to protecting the integrity of the county in all fiscal and budgetary matters.

The fiscal management over the preceding two years has led Habersham County towards an estimated increase in the unassigned Fund Balance of \$1.24 million. The increase in unassigned Fund Balance from FY2013 to FY2014 was \$740,247, whereas FY2014 to FY2015 is on track to have an estimated increase of \$500,000. Unassigned fund balance serves as a useful measure of a government's net resources available for spending at the end of a fiscal year. Several challenges were presented with the formulation of the FY 2016 budget. Requests for additional positions and market comparable salaries remain a concern for numerous departments. The increase in employee health insurance, increase in subsidy to Habersham Medical Center for EMS services, and adoption of the Industrial Development loan exceed an increase of \$498,000 annually. These challenges were met in the most conservative manner plausible and without an increase to the millage rate. While the FY 2016 budget looks forward it is necessary to look back at FY 2015 to get a picture of where we have been and where we are going for 2016 and beyond.

In FY 2015, the County:

- **Special Purpose Local Option Sales Tax (SPLOST):** In November, 2014, Habersham County and its seven municipalities voted to approve a new 1% Special Purpose Local Option Sales Tax (SPLOST). This tax was implemented in April, 2015. This is SPLOST VI and has been estimated to collect \$6,250,000 per year or \$37,500,000 over a six-year period. There is one level two countywide project: Habersham County Medical Center that will receive 20%. The municipalities within the County will share 30% of the SPLOST proceeds and Habersham County will receive 50%.
- **Issuer Credit Rating:** The County's general obligation bond rating has been recently updated by Moody's Investors Service to "Aa3" on its Series 2014 Bonds that we used to refund the Series 2007 Hospital Authority Bonds. Standard and Poor's most recent review of Issuer Credit Rating for Habersham County was updated to "A+".
- **Roads Paved:** Habersham County has 506.62 miles of roads, of which 403.10 are paved miles and 103.62 are graveled miles. In FY 2015 12.68 miles of roads were paved and/or resurfaced. The county continues to fund a road-paving program utilizing a combination of State aid and SPLOST funds as allowable by funding specifications. The State of Georgia Department of Transportation LMIG Program approved \$499,248 for seven (7) projects which began receiving bids in May of 2015. The remaining \$734,071 budgeted expense for these projects is funded from SPLOST VI.
- **County Website:** The Habersham County Government unveiled its newly designed, comprehensive website February 23, 2015. This new format gives citizens and visitors resources for information and regular updates, with the goal of being as complete and helpful as possible. The site was redesigned to contain an updated look and features, including easier accessibility from mobile devices. The web address is www.habershamga.com.

- County Logo: The Habersham County Government adopted a new logo in April of 2015. This logo replaces the round seal logo selected through a competition and previously adopted in 2007. The new logo provides a streamlined and simplified identification of County materials. The County departments have begun phasing out the old logo.
- Sheriff's Department: In accordance with the Sheriff Department's purpose of protecting and serving the citizens of Habersham County, the ability to plan capital expenditures so there is no shortage of the equipment necessary to perform the required duties remains a top priority. Within FY 2015 The Habersham County Sheriff's Department purchased four new patrol vehicles. The county continues to split the funding of these Sheriff vehicles through SPLOST and the General Fund.
- Emergency Medical Services: Approximately 6,200 emergency and non-emergency calls per year are handled by the EMS. In an effort to maintain the efficiency and excellence of this service equipment is constantly updated.
- Transit: The door-to-door transportation system provided by the Habersham County Transit Department continues to fill a large need within our rural community. Throughout the FY 2015, ridership averaged 400 trips per month and was continuously increasing throughout the year. Through partnering with local organizations, transit fee revenues are expected to increase by 400% over the prior year. Additionally, transit will be replacing a van through a grant with State of Georgia Department of Transportation FTA 5311 program.
- Airport: The construction of the parallel taxiway phase I at the Habersham County Airport is well underway. The total project estimated cost of the project exceeds \$5.2 million with State and Federal funds totaling \$4.9 million.
- Recreation: The Ruby Fulbright Recreation and Aquatic Center underwent renovations in FY 2015 of \$315,000 from SPLOST IV funds. Renovations included updates to aquatic facilities, locker rooms, and lighting. The Recreation Department is already seeing savings in utility bills from the updated lighting. The Recreation Department has gross revenues from its gymnastics program of \$142,000 for the year to date.

Millage Rate:

- The Habersham County Board of Commissioners FY2016 budget will once again operate without a millage rate increase. The FY2016 budget retains a millage rate at 10.785.

The remainder of this transmittal letter details in general terms the budgetary decisions/actions pertaining to the operating and capital budgets, and expenditures and revenues for each fund and changes in fund balance.

FY 2016 Approved Budget Overview/Highlights

As mandated by the State Law, the FY 2016 Approved Annual Budget represents a balanced budget for the general fund, all special revenue funds. Total appropriations from each fund do not exceed estimated fund balances, reserves, and revenues for each of the county's respective funds.

- Capital Improvements Fund: The CIP fund is budgeted for FY 2016 at \$60,000 less than prior year. The largest expenditures in CIP FY 2016 are a \$137,000 update to the Detention Center HVAC System, and \$80,000 to replace roof, soffit, and gutters at the Senior Center.
- SPLOST V: The Board of Commissioners approved the purchase of a new Animal Control vehicle, which will be approximately \$26,500, from the SPLOST V funds assigned to public safety. As well the installation of additional security cameras at the Judicial Center, approximately \$15,000, from SPLOST V funds assigned to the Judicial Center.
- Employee Increases: The Commissioners recommended an overall increase of 3.5% to employee salaries. The salary increases will equal a \$274,707 annually. Additionally, the pay grades and steps have been adjusted to reflect the 3.5% increase.
- Employee Health Insurance: In order to sustain coverage at a minimal increase the Habersham County Commissioners have chosen to offer employees the choice of two different plans. This option reduces the net annual cost to the county to an increase of \$122,800 annually or 8.53%. Option 1: Employee only coverage at the same coverage as last year will cost Employees \$12.65 per paycheck. Option 2: Employee only coverage with a deductible increase of \$500 (for a total deductible of \$3,500), and maximum out of pocket cost increase of \$1,600 (for a total maximum out of pocket of \$6,600) will allow the premium contribution to remain a zero cost to employees.

- Industrial Development Authority Loan: Beginning July 1st, 2015 the Habersham County BOCC will assume responsibility for the Miller Logistics Building. This assumption of the \$113,940 debt will require the transfer of ownership of the building to Habersham County. The authority was no longer able to make payments on this loan, and therefore the County is required to intervene.
- Subsidy to Habersham Medical Center for EMS: The Habersham County Medical Center submitted a budget of \$518,783 for the subsidy from Habersham County for FY 2016. This is an increase of \$258,047 or 98.9% over FY 2015. Habersham Medical Center indicated a decrease in collections, 5% increase in employee salaries, and newly implemented 4% service fee as the reasons for the increase.
- New Positions: The Commissioners approved one (1) Full-Time 911 Communication Officer, two (2) Full-Time Deputy Sheriffs, two (2) Full-Time Detention Officers, three (3) Full-Time Firefighters, one (1) Part-Time Animal Control Officer, and one (1) temporary Full-Time Assistant District Attorney. The State of Georgia will begin funding the Assistant District Attorney in November, 2016.
- Position Reductions: The Clerk of Superior Court began providing services to the Magistrate Court in October 2014. At that time, the consolidation of services allowed for the elimination of one (1) Full-Time and one (1) Part-Time position. In May 2015 the Clerk of Superior Court notified the Board of County Commissioners that the continued streamlining of services provided the opportunity to reduce staff by an additional Full-Time position. The FY2016 budget reflects this reduction.
- Roads & Bridges: Utilizing SPLOST V & VI funding for materials in the Roads & Bridges department allowed for a \$70,000 decrease in FY2016 in the General Fund.
- Accountability Court: For FY2016 Accountability Court has been moved out of the General Fund and into its own Special Revenue Fund.
- Contingency Fund: The FY2016 includes a Contingency Fund utilizing \$250,000 from appropriated Fund Balance.
- Senior Center: Habersham County is being required by new legislation to take over management of the Senior Center from Legacy Link. We are working to keep this a revenue neutral transfer. The Senior Center program is primarily grant funded.

Draft

The FY2016 budget process was a group effort encompassing each department and elected officials' input. It illustrated the desire of all parties to work together to accomplish what is believed to be in the best interest of the citizens of Habersham County. I would like to thank each individual who participated in this process. Please feel free to contact me at any time if questions arise or I may be of assistance.

Sincerely,

Phil Sutton
County Manager

enclosures

Habersham County was formed from two Cherokee Cessions, one on July 8, 1817, and the other on February 27, 1819 (Legislative Acts of December 15, 1818, and December 19, 1818). It was named for Colonel Joseph Habersham and was originally 31 miles long and 23 miles wide, with an area of 713 square miles. The four main white settlements in the county were Tugaloo, Soque, Nacoochee, and Batesville.

Parts of the county were later split off to become part of the counties of Rabun (1828, District 16, on the south side of the Tallulah River), Lumpkin (1831), Banks (1857), White (1858), and Stephens (1905), leaving the present size at 279 square miles.

On April 10, 1819, the first county officers were elected. In August of that same year, the first recorded session of court was held in the first courthouse, approximately four miles from where Clarkesville would be situated. In 1823, the county seat of Clarkesville was chartered and named for the Revolutionary General and Governor, John C. Clarke; and the original courthouse was replaced by one located in Clarkesville.

Shortly thereafter, in 1828-1829, discovery of gold in Nacoochee Valley triggered "gold fever". Several mines began operation. Before it ended, the gold rush had brought wealth and new permanent or summer residents. Gold miners in the Nacoochee Valley also discovered in 1834 the remains of a subterranean Indian village of 34 log houses along with cane baskets and earthenware. The village was below the ground at a depth of seven to nine feet. (Note: "The Historical News" attributes the discovery to Spanish exploration and mining.)

During the 1830s, coastal Georgia residents trying to avoid malaria made Habersham their summer home. Clarkesville, with three hotels, became known as a fashionable summer resort. Besides Clarkesville, Tallulah Falls also attracted visitors; and later on, towards the end of the 18th century, Mt. Airy and Cornelia were founded and became popular with summer residents and tourists.

By 1845, the population had grown to 8,411. Records from that time reveal that many of the inhabitants made a living growing and selling wheat, corn, cotton, and apples; weaving jeans or making saddle cloths; or working in one of the sawmills, gold mills, jug factories, or distilleries.

Year after year came and went with the same peaceful routine of life: buying, selling, planting, harvesting, marrying, raising children, attending church. During the 1840s and 1850s, who among the inhabitants of this peaceful area could have visualized the anxiety, anguish and fear that the Civil War would bring?

During that war, approximately 1,000 men from the county fought for the Confederacy in almost every important battle, many never to return. Besides men, the County contributed cannons forged by the Habersham Iron Works and Manufacturing Company. Some of the cannons, stamped "Habersham Iron Works", can still be seen at the Chickamauga National Battleground.

Although life was hard due to the war and the ensuing reconstruction years, the county began to recover, especially after railways were built. The Southern Railway opened in Habersham on July 17, 1873. Mt. Airy has the distinction of being the highest point on that railway. The famous Tallulah Falls Railroad also ran for many years. Although the Tallulah Falls Railroad was abandoned in 1961, it can be seen in the movies "I'd climb the Highest Mountain" and "The Great Locomotive Chase."

New immigrants also contributed to Habersham's recovery. Around 1880, German and Swiss immigrants began to move into the area to grow grapes and make wine. Before a profit could be made on this industry, however, the county became dry; and many of the German-Swiss moved away, although some remained to farm and to become citizens. Around 1920, apple growers from England, Canada, and the North helped to make the apple industry an important source of revenue for the county.

In the latter part of the 19th Century, new technologies, such as the telephone (introduced in 1898 with the formation of the Clarkesville Telephone Company), eventually would cause major changes in the way of life of the county's residents.

Progress brought problems however. By the late 1890s, Clarkesville still had not grown as large as the city of Toccoa. Toccoa wanted to assume the role of county seat. For several years, the debate continued. Although in 1898 someone blew up its courthouse with dynamite, Clarkesville eventually retained the privilege. Toccoa then campaigned for the creation of a new county with itself as county seat, and in 1905 Stephens County was formed.

Draft

This page intentionally left blank.

Draft

ACCOUNTABILITY: Monitoring, measuring and evaluating the performance and progress of policies, plans and programs to ensure that results are achieved.

ACCRUAL ACCOUNTING: Method of accounting in which transactions are recorded at the time they are incurred, as opposed to when cash is received or spent.

ADOPTED (APPROVED) BUDGET: The funds appropriated by the County Commissioners at the beginning of the year.

AD VALOREM TAX: A tax based on the value of property.

AMENDED BUDGET: It is the adopted budget plus additional expenditures appropriated resulting from a legislative body's decision made throughout the year and any re-organizations.

APPROPRIATION: An authorization made by the County Commissioners which permits officials and department heads to incur obligations against and make expenditures of governmental resources.

ASSESSED VALUATION: The value placed on property for purposes of taxation. Habersham County accepts assessment of real and personal property at 100% fair market value.

BOND: A written promise to pay a specified sum of money (called principal or face value) at a specified future date along with periodic interest paid at a specific percentage of the principal. Bonds are typically used for long-term debt.

BUDGET: The financial plan for the operation of a department, program or project for the current year or for the duration of the project.

BUDGET AMENDMENT: The transfer of funds from one appropriation account to another, requiring approval of the County Commissioners.

BUDGET CALENDAR: The schedule of key dates or milestones which the County follows in the preparation, adoption, and administration of the budget.

BUDGET DOCUMENT: The instrument used by the budget-making authority to present a comprehensive financial program to the appropriating governing body.

BUDGET RESOLUTION: The official enactment by the County Commissioners legally authorizing County Officials to obligate and expend resources.

BUDGET OFFICER: "Budget officer" means that local government officials charged with budget preparation and administration for the local government. The official title of the local government budget officer shall be as provided by local law, charter, ordinance, or appropriate resolution of the governing authority.

BUDGET PERIOD: Budget period, means the period for which a budget is proposed or a budget ordinance or resolution is adopted.

BUDGETARY CONTROL: The control or management of a governmental unit or enterprise in accordance with an approved budget for the purpose of keeping expenditures within the limitations of available appropriations and available revenues.

CAPITAL BUDGET: The first year of the Capital Improvements Plan as approved by the Commission.

CAPITAL IMPROVEMENTS PLAN (CIP): A plan for capital expenditures to be incurred each year over a three to six year period. This plan will meet the capital needs as defined in the long-term work program of Departments and other agencies of the local government. It sets forth each project and it specifies the resources estimated to be available to finance the projected expenditures.

CAPITAL PROJECTS: Projects that result in the acquisition or construction of capital assets which are of a long-term and permanent nature. Such assets include land, buildings, and related improvements, streets and highways, bridges, sewers and parks.

CASH BASIS ACCOUNTING: A basis of accounting under which transactions are recognized only when cash is received or disbursed.

CONTINGENCY: Funds set aside for unforeseen future needs and budgeted in an account. Can be transferred to a departmental budget only by action of the County Commissioners.

CONTRACTUAL SERVICES: Services rendered to a government by private firms, individuals, or other governmental agencies. Examples include utilities, rent, maintenance agreements, and professional consulting services.

COST CENTER: The allocation of resources by functional area within an agency or department.

DEBT: An obligation resulting from the borrowing of money or the purchase of goods and services.

DEBT SERVICE: The cost of paying principal and interest on borrowed money according to a predetermined payment schedule.

DEBT SERVICE FUND: The fund used to account for the accumulation of resources for and the payment of, principal and interest on long-term debt, specifically bond issues.

DEPARTMENT: A major administrative division of the County with indicated overall management responsibility for an operation or a group of related operations within a functional area.

DEPRECIATION: The portion of the cost of a fixed asset charged as an expenditure during a particular period. The cost of a fixed asset, less any salvage value, is prorated over the estimated service life of such an asset, and each period is charged with a portion of such cost.

ENTERPRISE FUND: A fund in which the activities are supported entirely or primarily by charges and fees paid by the users of the services.

EXPENDITURE/EXPENSE: This term refers to the outflow of funds paid or to be paid for an asset obtained or goods and services obtained regardless of when the expense is actually paid. "Expenditure" applies to Governmental Funds, and "Expense" to Proprietary Funds.

FISCAL YEAR: The time period designated by the County signifying the beginning and ending period for recording financial transactions.

FIXED ASSETS: Assets of long-term character that are intended to continue to be held or used, such as land, buildings, machinery, furniture and other equipment.

FRANCHISE FEES: A fee levied on utilities in exchange for allowing the utilities the use of public right-of-way.

FUND: An independent fiscal and accounting entity with a self-balancing set of accounts. These accounts record cash and other assets together with all related liabilities, obligations, reserves and equities. Funds are segregated so that revenues will be used only for the purpose of carrying out specific activities in accordance with special regulations, restrictions or limitations.

FUND BALANCE: Refers to the excess of assets over liabilities and is therefore, generally known as amount available for appropriation.

FUND BALANCE (assigned): Amounts a government intends to use for a particular purpose.

FUND BALANCE (committed): Amounts constrained by a government using its highest level of decision-making authority.

FUND BALANCE (restricted): Amounts constrained by external parties, constitutional provision, or enabling legislation.

FUND BALANCE (unassigned): Amounts that are not constrained at all will be reported in the general fund.

GENERAL FUND: General fund means the fund used to account for all financial resources except those required to be accounted for in another fund.

GENERALLY ACCEPTED ACCOUNTING PRINCIPLES (GAAP): Uniform minimum standards for financial accounting and recording, encompassing the conventions, rules, and procedures that define accepted accounting principles.

GENERAL OBLIGATION BONDS: Bonds whose principal and interest are paid from property tax for debt service and are backed by the County's full faith and credit. Approval by referendum vote is required for general obligation bonds to be issued.

GOVERNMENTAL FUNDS: Funds used to account for the acquisition, use and balances of expendable financial resources and the related current liabilities – except for those accounted for in proprietary funds and fiduciary funds.

GRANT: A contribution of assets (usually cash) from one governmental unit or organization to another. Typically, these contributions are made to local governments from the state or federal governments to be used for specific purposes and require distinctive reporting.

LEGAL LEVEL OF CONTROL: Legal level of control is the lowest level of budgetary detail at which a local government's management or budget officer may not reassign resources without approval of the governing authority. The legal level of control shall be, at a minimum, expenditures for each department for each fund for which a budget is required. This does not preclude the governing authority of a local government from establishing a more detailed level of budgetary control than the minimum required legal level of control.

LEVY: To impose taxes, special assessments or service charges for the support of government activities.

LIABILITIES: Probable future sacrifices of economic benefits, arising from present obligations of a particular entity to transfer assets or provide services to other entities in the future as a result of past transactions or events. A budget prepared along departmental lines that focuses on what is to be bought. It lists each category of expenditures and revenues by fund, agency, department, division, and cost center.

LONG-TERM DEBT: Debt with a maturity of more than one year after the date of issuance.

MILL: One one-thousandth of a dollar of assessed value. A tax rate of one mill produces one dollar of taxes for each \$1,000 of assessed property valuation.

MILLAGE RATE: The ad valorem tax rate expressed in the amount levied per thousand dollars of the taxable assessed value of property.

MODIFIED ACCRUAL ACCOUNTING: A basis of accounting in which revenues are recorded when collected within the current period or soon enough thereafter to be used to pay liabilities of the current period and expenditures are recognized when the related liability is incurred.

OPERATING BUDGET:

The portion of the budget pertaining to daily operations that provide basic governmental services. The operating budget contains appropriations for such expenditures as personal services, fringe benefits, commodities, services, and capital outlay.

PERSONAL PROPERTY: Property that can be moved with relative ease, such as motor vehicles, boats, machinery, and inventoried goods.

PROPERTY TAX: Tax based on assessed value of a property, either real estate or personal. Tax liability falls on the owner of record as of the appraisal date.

PROPRIETARY FUNDS: Used to account for government's ongoing organizations and activities that are similar to those found in the private sector.

PUBLIC HEARING: A public hearing is a specifically designated time, place, and opportunity for citizens, community groups, businesses, and other stakeholders to address the Legislative body on a particular issue. It allows interested parties to express their opinions and the Legislative body and/or staff to hear their concerns and advice.

REAL PROPERTY: Land, buildings, permanent fixtures, and improvements.

REVENUE: Funds that the County receives as income. It includes such items as taxes, licenses, user fees, service charges, fines, penalties, and grants.

REVENUE BONDS: Bonds whose principal and interest are payable exclusively from specific projects or special assessments, rather than from general revenues. These bonds do not require approval by referendum.

SINKING FUND: A reserve fund accumulated over a period of time for retirement of a debt.

SPECIAL REVENUE FUND: A fund in which the revenues are designated for use for specific purposes or activities.

SPLOST (Special Purpose Local Option Sales Tax): An additional 1 percent sales tax that may be imposed for a specific time period on the same items as the State sales tax. The tax may be levied with voter approval and must be used for specific capital projects or capital outlay.

TAX DIGEST: Official list of all property owners, the assessed value (100% of fair market value), and the tax due on their property.

TAXES: Compulsory charges levied by a government for the purpose of financing services performed for the common benefit. Taxes levied by Habersham County are approved by the County Commissioners and are within limits determined by the State.

WORKING CAPITAL: A dollar amount reserved in the General Fund balance that is available for unforeseen emergencies, to handle shortfalls caused by revenue declines, and to provide cash liquidity during periods of low cash flow.
