COMMISSION ACTION REQUESTED ON: June 17th, 2024

PURPOSE: To request Commission approval to purchase for RFP 2024-27 (4) Baseball Field Scoreboard Replacements for Diamond Memorial Park.

BACKGROUND / HISTORY: The existing scoreboards are wired, use outdated technology, and physical light bulbs. The cost and frequency of repairs makes their maintenance highly unpredictable. Several boards share a single breaker, so when there is an issue with a single panel on one board it can trip the whole system. The new boards will be wireless and use LED screens, and will come with a warranty for their maintenance. We have worked with Electro-Mech Scoreboard Co. in the past and their bid was the cheapest of the five at about \$6,000 less than the next closest bidder.

FACTS AND ISSUES:

- a. At \$29,740 Electro-Mech was our lowest bidder by approximately \$6,000. Their cost includes the demolition and removal of the old scoreboards.
- b. Funding for this project will come from the Parks and Recreation CIP which was approved in the FY2024 budget.
- c. We have previously worked with Electro-Mech Scoreboard Co. and they remain in good standing with the county.

OPTIONS:

- 1) Approve the purchase of RFP2024-27 Baseball Field Scoreboard Replacement.
- 2) Deny the purchase of the four scoreboards.
- 3) Commission defined alternative.

RECOMMENDED SAMPLE MOTION: Move to approve the purchase of RFP 2024-27 Baseball Scoreboard Replacement to Electro-Mech Scoreboard Co. for 29,740.00.
