Brief Synopsis of Incident:

On Saturday, July 13th, 2024, Deputy A. Crawford conducted a traffic stop on a vehicle that he observed fail to maintain its lane on several occasions. Deputy Crawford suspecting the operator could be impaired initiated a traffic stop on the vehicle for the observed violation. Upon stopping the vehicle, D/S Crawford made contact with the female driver and observed her behaviors and demeanor quickly recognizing noticeable signs of medical distress and notified EMS. Once EMS arrived and upon their evaluation, it was determined that the female driver needed to be transported to the hospital for further examination. Upon arrival to the Hospital, it was determined the driver was in the active stages of a stroke.
