**Chapter 42. Offenses and Miscellaneous Provisions**

**Article III. Motion Picture, Television, and Photographic Production**

**Sec. 42-51. - Motion picture, television, and photographic production ordinance.**

(h) *Fees and costs of additional services.*

(1) Each application shall be accompanied by the following non-refundable fees:

a. ~~A processing fee in the amount of \$150.00 will be submitted to the county at the time of application.~~ An application fee of \$150.00 and a permitting fee of \$100.00 per day, or as may be adjusted from time to time considering the duration and scope of any particular project, will be submitted to the county at the time of application.

b. Upon approval of an application for a county filming permit, the county manager shall provide the applicant with a statement of estimated cost of providing law enforcement, public works and other county employees and services for public safety for the production. The cost of such services shall be

paid to the county prior to the conducting of a production. The amount of such fees shall be based on the county's actual cost of providing the required number of law enforcement officers and other county employees and services necessary to ensure the safety of both the participants of the production and the community.

c. If the actual cost of public services for the production is less than the estimated cost pursuant to subsection b., the permittee shall promptly be refunded the difference by the county. If the actual cost for public services is more than the estimated cost pursuant to subsection b. the difference shall become due and payable to the county immediately upon the permittee's receipt of a statement of actual costs by the county.

d. All fees may be waived by the county manager for wholly charitable or educational purposes and from which no profit is derived, either directly or indirectly. Tax exempt and nonprofit organizations must qualify under Section 501(c)(3) of the United States Internal Revenue Code and proof of such status must be provided to the county in order for said fees to be waived by the county.

**Chapter 54. Solid Waste**

**Sec. 54-3. - Disposal fee.**

- a. A fee as set forth in the schedule of fees and charges shall be charged for all solid waste brought into the landfill for disposal, except as otherwise provided in this section.
- b. A container will be provided at the landfill scales for automobiles which do not otherwise have to enter the landfill disposal site. A maximum of six bags may be deposited from a single automobile into the container. Only bagged household garbage will be allowed in the container. This container is provided for convenience only and bagged household garbage is still subject to the fee schedule.
- c. Municipalities, commercial haulers, contractors, industries and individuals desiring to do so will be billed on a monthly basis, with a due date of the 15th of each month. An additional charge of 1½ percent will be added to all accounts not paid by the 15th of the month after the charges are incurred. For all accounts not paid within 30 days following the due date, such person will not be allowed to dispose of waste in the landfill until satisfactory arrangements are made for payment.
