Habersham County Organizational Chart

Habersham County turns 200 years old on December 15, 2018. Throughout 2018, We will celebrate and commemorate this special occasion by participating in local events, hosting various activities, and promoting the anniversary County-wide. The County will have a “Habersham 200” booth set up at one of each of the seven municipalities’ events, if available, to sell and give away promotional items. The final event will be held on the 200th Anniversary in conjunction with the Habersham County Christmas Parade in Cornelia. All of this has been accomplished through the generosity of local business sponsors, with no burden of funding the Bicentennial placed on Habersham County taxpayers. We have worked since 2017 to encourage the Habersham County community, as well as our neighboring communities, to join us in celebrating the past 200 years while preparing for our future.

Transmittal Letter

The Honorable Chairman and Members of the
Habersham County Board of Commissioners:

In accordance with state and local regulations, I am pleased to present the Fiscal Year (FY) 2019 Annual Budget. A variety of factors influence the budget each fiscal year, and FY2019 is no exception. The budget process requires that expenditures thoroughly reflect departmental needs and reasonable explanations on how revenue is used to provide the most efficient and effective services to our citizenry.

The FY2019 budget process began in November 2017 with the collection of position and capital requests from our Elected Officials and Department Directors. In January 2018 the Commissioners reviewed and discussed position and capital requests. Subsequent to that, operating budget worksheets were distributed to Elected Officials and Department Directors. Operating budget requests were summarized and presented during the months of March and April 2018 at budget hearings where Elected Officials and Department Directors met with the Commissioners, County Manager, and Finance Department staff over a period of two weeks. Citizen input was welcomed during three (3) public meetings held June 13 through June 21, 2018. We remain committed to protecting the integrity of the county in all fiscal and budgetary matters.

The total General Fund Balance as of June 30, 2017 was \$5,248,767 of which \$3,938,386 was unassigned and \$818,977 was assigned for a total unrestricted fund balance of \$4,757,363. The unrestricted fund balance represents 23.6% of the FY2018 original budget. This complies with the Habersham County Fund Balance Policy minimum of 17%. The unassigned fund balance serves as a useful measure of a government's net resources available for spending at the end of a fiscal year. Of the assigned fund balance \$513,212 is allocated for future employee health care claims and \$300,764 for budgeted non-recurring expenditures within the FY2018 CIP Budget.

Many challenges presented during preparation of the FY2019 budget were expected, as they have been challenges we have seen before. As in previous years, requests for additional positions and market-comparable salaries are a concern for numerous departments. The number of FY2019 requested positions rose by over 150% over the FY2018 requests. Numerous department directors continue to face high-turnover due to below market wages. Excess spending throughout FY2018 in overtime within Public Safety Departments remained a concern for FY2019. The full capacity of the Jail in FY2018 continued as in FY2017, causing the Jail expenditures on prisoner boarding to be fully expended as of December 2017. Likewise, additional expenditures related to Jail operations will exceed original funds budgeted as FY2018 ends.

Amid the FY2019 budget process, a new opportunity was presented with the management transition of the Emergency Medical Services (EMS) from the Habersham Medical Center to Habersham County in March of 2018. The newly created Emergency Services Department reflects the existing, synergistic relationship between the former Fire Department and Emergency Medical Services. While the FY2019 Budget continues to present challenges in providing the critical and desired services within Habersham County, there are many accomplishments being made throughout the County that should be celebrated.

During FY2018, Habersham County:

Administration Building: After receiving a Moody's credit rating of A1 for the Certificates of Participation in November of 2017 and closing the \$6,380,000 ACCG Leasing Program in December of 2017, the construction of the new Administration Building began in October 2017. Construction completion is anticipated in February 2019.

Roads & Bridges: Habersham County has 508 miles of roads, of which 404 are paved miles and 104 are graveled miles. In FY2018 10.32 miles of roads will have been paved and/or resurfaced. The county continues to fund a road-paving program utilizing a combination of State-aid and SPLOST funds as allowed by funding specifications. Furthermore, ten bridge structures received repairs, preservation, or replacement during FY2018 utilizing SPLOST VI funds.

Sheriff's Office/Jail/HEAT: The replacement of the Detention Center HVAC system was completed in April of 2018. Thirty mobile units were installed into patrol vehicles during FY2018 so that reports and citations can be compiled and completed in the car, enabling the Sheriff's Office to keep patrol officers in the field where they are needed. The Sheriff's Office also began a four-year plan to replace the in-car camera systems. In conjunction with the annual vehicle replacement plan of two vehicles purchased from SPLOST VI, and two other vehicles purchased from the CIP Fund (For FY2018, one was a patrol vehicle and one detention vehicle) a donated vehicle was received from the State of Georgia for use by the HEAT Department, and a HEAT vehicle was purchased through grant funding.

E-911 & Emergency Management: An E-911 telephone system replacement began in May of 2018. This will update the system to allow Habersham County E-911 to be Next Gen and text to 911 compatible phones and devices meeting current and future needs. Additionally, through a Georgia Emergency Management Agency Hazard Mitigation Grant, Habersham County received \$112,955 toward the purchase of six generators installed at Fire Stations throughout the County.

Emergency Services: Effective March 5, 2018 the management of the Emergency Medical Services of Habersham County was transitioned from Habersham Medical Center to Habersham County. Historically, the County had provided funding to Emergency Medical Services through various operating expenditures and a subsidy to Habersham Medical Center. Habersham County is now directly responsible for the management and operation of EMS which is comprised of approximately 30 Full-Time and 17 Part-Time employees. The Fire Department has merged with EMS to create a new Habersham County Emergency Services Department. We converted a house owned by Habersham Medical Center at 125 Robertson Loop to serve as the central base station for EMS.

Animal Care and Control: In March of 2018, Animal Care and Control Office renovations were completed with funding provided from the Estate of Edward Taylor Murray. The new office

located west of the shelter provides Animal Care and Control with a secure and professional location to accomplish administrative duties without constant interruption, making the department more efficient. Additionally, Habersham County Animal Care and Control was the recipient of the Best Friends Animal Society's "Lifesaving Luminary Award" for the Southeast.

Senior Center: In November of 2017, Habersham County was awarded a Community Development Block Grant for \$750,000. The CDBG funds will be used to construct a 5,214 sq. ft. Senior Wellness Center adjacent to the Senior Center. Requests for proposals for construction will be received before the end of FY2018. Additionally, the Senior Center saw a 17% increase in congregate meal clients during FY2018.

Recreation Department: In April of 2018, the 2nd annual Golf Tournament was held with 72 participants. The tournament proceeds will cover 31 scholarships for children participating in Habersham County Parks and Recreation programs such as basketball, football, cheerleading, volleyball, and gymnastics. The Parks and Recreation Department recovers approximately 50% of their costs from fees.

Habersham County Landfill: During FY18, the Landfill completed its scrap tire abatement project and submitted a reimbursement package to EPD for Hazardous Waste Trust Fund and received a \$44,070 reimbursement from EPD. Additionally, the access road to future borrow area, in which mitigation credits were required, was completed. The road was designed to allow off-road trucks and other construction equipment to pass at one time and will provide necessary access to future dirt coverage material. Preliminary planning, market studying, and cost estimates were done to determine the feasibility of expanding the recycling center and level of service. Five new groundwater monitoring wells were installed at the inactive Pea Ridge Landfill. These wells were required due to exceeding parameter limits of various elements in groundwater; this corrective action plan and study is ongoing. The Landfill procured a new compactor (CAT 826K) through a lease/purchase agreement replacing a 26-year-old compactor.

Habersham County Airport: The County closed on the Runway Fish House property which includes a 6.5-acre tract of land adjacent to the county airport. This property will provide capacity for future expansion of the airport for additional hangars, or airport related businesses. The acquisition was funded 90% with Federal FAA funds and 5% from GDOT funding and 5% from local funds.

Airport Industrial Park: The Development Authority completed Phase II of the water and sewer improvements in the summer of 2017. Additionally, the grading and drainage for pads 1-4 was completed in April 2018. The Development Authority awarded a contract to Gearig Civil Works to grade pads 5, 6, and 7 and to install a new road connecting Runway Drive with Airport Industrial Park Rd.

Compensation & Classification: Phase II of the Classification and Compensation Study was implemented in FY2018 at a cost of \$91,042. The purpose of this study was to determine the extent of the disparity between County employee wages and entry-level wage market rates.

Millage Rate:

The Habersham County Board of Commissioners approved an increase in the millage rate of 0.367 mils to help fund the FY2019 budget. Therefore, the 2018 millage rate is 11.543.

Additionally, the Hospital Bond millage rate has increased by 0.205 mils, which is a millage rate of 1.203, and the Emergency Medical Services fund has increased by 0.057 mils, which is a millage rate of 0.447. Legally, Bond Levies can utilize the Bond value, which does not include certain exemptions. Beginning with FY2018 the Board of Commissioners used the Bond value for the Hospital Bond Levy.

Manager's Goals for FY2019

- Goal #1: Ensure that County services are delivered in a professional and courteous manner and enhance the efficiency and effectiveness of services provided to the citizens of Habersham County.
- Goal #2: Reduce turnover to ensure that a high level of professional service is provided to benefit the residents of the County; to improve wage and benefit structure to attract and retain trained, professional staff.
- Goal #3: Prepare educational materials, resolutions, and documents needed to support the Roads and Bridges SPLOST referendum.
- Goal #4: Develop and present a budget that is innovative in delivery and funding of County provided services.
- Goal #5: Manage the Service Delivery Strategy (SDS) approval process, and ensure the completion of the Comprehensive Land Use Plan prior to the October 31, 2018 deadline.
- Goal #6: Continue construction of Phase III and IV of the Airport Taxiway and Terminal Building projects.
- Goal #7: Manage the construction and transition of occupancy into the new Administration Building.
- Goal #8: Manage completion of the new Senior Wellness Center utilizing the Community Development Block Grant (CDBG) funds.

FY2019 Approved Budget Overview/Highlights:

As mandated by State Law, the FY2019 Approved Annual Budget represents a balanced budget for the general fund, and all special revenue funds. Total appropriations from each fund do not exceed estimated fund balances, reserves, and revenues for each of the county's respective funds.

Rising wages in the local labor market and pay adjustments made by surrounding counties have resulted in Habersham County's wage rates falling significantly behind other jurisdictions we compete with for public safety personnel. These economic pressures require us to invest more to recruit and retain public safety personnel and public works personnel. Jail staff turnover has increased to 50% in the past year; the sheriff's law enforcement turnover is 24% for fulltime sheriff's deputies. Excessive growth of the jail inmate population has created a significant strain on the sheriff's department's budget; the inmate population has grown 40% in the past fifteen

months. This causes us to house nearly 50 inmates per day out of county at other jails, which increases housing, transportation, food, and medical costs for inmates.

A strategic goal of the FY2019 budget is to become more competitive in wage provisions in an effort to slow down the rate of turnover in these departments. Habersham County invests significantly in recruiting and training law enforcement and fire personnel, only to have them leave for neighboring jurisdictions with higher wages. The FY2019 budget increases public safety staffing and wages by \$1.3 million. However, through budget reductions and savings in other areas, the net increase in the millage rate will be approximately \$436,000 or 0.367 mills; which is less than a 3% increase. That translates to an \$18 per year increase to the average household to support the County's General Fund millage rate. The benefits of these changes will be to increase the County's ability to attract and retain public safety personnel, and to provide better protection to the County in the areas of law enforcement, sheriff's jail, fire department, public works, and E911 communications. While this is a significant adjustment, these increases will only help make us competitive with the average wages for surrounding counties and cities.

In other areas of the County budget: the hospital bond millage rate will increase by 0.205 mills, which is \$10 per household per year for the average resident, and the Emergency Medical Services millage rate will increase by .057 mills.

Comparing Habersham County's general fund millage rate to the 159 counties in the state, we rank at the 8th percentile; meaning 92% of Counties in Georgia have higher comparable millage rates to support their general fund services.

Roads and Bridges SPLOST: The County and municipalities will place a referendum on the November election ballot to ask the voters to support a single county roads and bridges SPLOST. The Economic Development Council and the Chamber of Commerce are in favor of moving forward with supporting a referendum. The Economic Development Council's Executive Committee has voted to take the lead in educating the public regarding the need for this proposed new single county roads and bridges SPLOST to provide funds for road improvements. Currently, without TSPLOST, the county can resurface all roads in the county once every forty years. This proposal will, in part, allow us to resurface roads every twenty years. This TSPLOST will also provide funding for a wide range of road and bridges improvements and provide matching funds for state and federal grants related to transportation for roads, airport and other transportation needs.

Senior Wellness Center: The Department of Community Affairs has certified that we have met the CDBG conditions to begin soliciting proposals from contractors to construct the senior wellness center adjacent to the current senior center. We anticipate requesting commission approval of the selected contractor at the July commission meeting and to begin construction in August of 2018.

Bicentennial Celebration: A Bicentennial Sub-Committee is working on events, activities, and a commemorative book related to the Bicentennial Celebration, which will occur throughout the calendar year of 2018. The Habersham County Bicentennial is December 15, 2018.

Industrial Park: Water and Sewer is scheduled to be installed in Fall 2018, the road system will be completed by Spring 2019. The Development Authority is listing property in the Industrial Park for \$45,000 an acre. Industrial Park Pads 5-9 Drainage and Grading has been advertised and

bids were received on April 18. The low bidder was Gearig Civil Works, who is currently working on the airport project. Gearig is also building the new Industrial Park road.

Purchase of Viper Stand-alone E911 Phone System: The E911 and Emergency Management Department will lease/purchase the AT&T Viper Stand-alone Phone System at a total cost of \$207,432. Annual maintenance fees for this item are \$28,236. The system would replace the current phone system, which has not been updated since 2007. E911 now processes approximately 500,000 calls annually. The AT&T Viper system is compatible with the next generation of communication systems. This next generation of emergency communications will allow citizens to send text messages and pictures to a 911 operator.

Airport Terminal Building: The FAA has approved Form 7460 which authorizes the terminal building to proceed with construction. Construction of the Airport Terminal Building began June 2018 and is anticipated to be completed by December 2018.

Taxiway Phase 3: Gearig Civil Works began work in mid-April 2018 and is expected to complete Phase 3 of the Parallel Taxiway Project by mid-November 2018.

Taxiway Phase 4: C.W. Matthews began work on April 30, 2018 and is expected to complete the final phase of the Parallel Taxiway Project in Spring 2019.

The FY2019 budget process was a group effort encompassing each department and elected officials' input. It illustrates our desire to work together to accomplish what is believed to be in the best interest of the citizens of Habersham County, as we continuously strive to be good stewards of our citizens' tax dollars. Each year, new and different challenges are overcome and illustrate the strength of our County's hard work over the previous year. I would like to thank each individual who participated in this process.

Please feel free to contact me at any time if questions arise or if I may be of assistance.

Sincerely,

Phil Sutton

BUDGET PROCESS

OVERVIEW

Prior to July 1st of each fiscal year, the Board of Commissioners adopts an annual budget for all governmental fund types except for Capital Projects Funds. Capital Projects Funds are budgeted by the Board of Commissioners when capital projects are approved. The operating budget includes proposed expenditures and the means of financing them.

A Budget Committee consisting of the Board of Commissioners, the County Manager, and the Finance Director prepare the proposed budget. Each County Department submits their requested budget to this committee for consideration. Public hearings are held to discuss the proposed budget and obtain input from the citizens of Habersham County. These hearings are publicized at least one week before the hearings. The budget document is made available for public inspection during this period. The final proposed budget is presented at an open Board of Commissioners meeting for final approval.

The level of legal budgetary control (the level at which expenditures may not exceed appropriations) is maintained at the department level. Any changes in total departmental expenditures/expenses, personnel benefits, or capital purchases must be approved by the Board of Commissioners.

Budgets are adopted on a basis consistent with generally accepted accounting principles (GAAP) at the legal level of budgetary control; which is the department, sub-department, or project level. Expenditures may not exceed the appropriations within a fund. Budgets, as reported in the financial statements, are as originally passed by ordinance and subsequently amended. During the year, several supplementary appropriations are made as needed. The results are increases and decreases to the appropriations within the funds. All annual appropriations lapse at year end. The County does not use the encumbrance system of accounting.

DRAFT

FINANCIAL POLICIES AND PRACTICES

OVERVIEW

Habersham County provides a full range of services, which includes health and welfare, public safety, parks and recreation programs, public works, etc. The County has developed several policies in order to provide these services in a financially responsible and transparent manner.

BUDGET PRACTICES AND POLICIES

- The Board of Commissioners adopts an annual budget for all governmental fund types, with the exclusion of Capital Project Funds, prior to July of each year. Capital Project Funds are budgeted by the Commissioners after capital projects are approved.
- The annual budget process is overseen by a Budget Committee, which consists of the Commissioners, County Manager, Finance Director, and other Department Directors. After a draft proposed budget is prepared, public hearings are held for citizen input and the proposed budget is made available for public viewing on the County website. The budget is approved in an open public meeting.
- Once the budget is adopted, any changes in total departmental expenses, personnel, benefits, or capital purchases, must be approved by the Board of Commissioners.
- Each fund listed in the budget is balanced so that anticipated revenues equal proposed expenses.
- The County consists of the following major funds:
 - GOVERNMENTAL FUNDS:
 - General Fund
 - Hospital Debt Service Fund
 - SPLOST VI Funds
 - Capital Improvements Fund
 - Special Revenues Fund
 - ENTERPRISE FUNDS:
 - Landfill Fund
 - Transit Fund
 - Airport Fund
 - COMPONENT UNIT:
 - Industrial Development Authority

PURCHASING POLICIES AND PROCEDURES

The Habersham County Purchasing Policies and Procedures were adopted in 2008 and revisions were approved in December of 2015.

- The purpose of the Purchasing Policies and Procedures is:
 - To consider the best interests of Habersham County in all transactions;
 - To purchase without prejudice, seeking to obtain the maximum value for each dollar expenditure with maximum quality standards; and
 - To subscribe to and work for honesty and truth in buying
- Purchases Require: approved budgetary funds, check requisition or purchase order, appropriate documentation (W-9, E-Verify, signed invoice, or written quotes when applicable), and supervisory approval when applicable.
- Check requests and purchase orders are not required for routine expenses (i.e. bills, rent payments, etc.)
- Department Directors are responsible for the control of material usage, allocation of supply quantities, physical security for materials, and proper disposition of surplus items.
- Each Purchase or Service that is estimated to cost over \$20,000 requires formal advertising, sealed bids, and shall be awarded by the Board of Commissioners (there are exceptions).
- Purchasing Card Users must have a signed purchasing cardholder agreement on file. Receipts are required for all card transactions except for, on the rare occasion, when a receipt is lost. On those occasions, a lost receipt form must be submitted. P-Card Users (or Department Administrator) must submit all documentation to the Finance Department by the 21st of each month. P-cards will be audited and reviewed by the Finance Department.

- Every person employed by the County is responsible for the control of supplies, materials, and equipment that are provided in order to accomplish their activities.

DEBT MANAGEMENT POLICY

The Habersham County Board of Commissioners adopted the Debt Management Policy on March 17, 2008.

- The County will project debt requirements on a five year basis to examine the long range implications and effects of debt issuance.
- The County will not fund current operations or normal maintenance with proceeds from long term financing.
- In an effort to conserve debt capacity, the County shall borrow only when necessary and utilize “pay-as-you-go” financing to the extent possible.
- The County’s debt capacity shall be maintained within the following:
 - Net debt per capita under \$900
 - Net debt as a percentage of estimated market value of taxable property not to exceed 3%
 - Ratio of debt service expenses as a percentage of expenditures not to exceed 10%
 - Debt per capita as a percentage of income per capita should not exceed 5%
- In general, the County will adhere to the following debt guidelines:
 - Keep the average maturity of General Obligation Bonds at or below fifteen years
 - The County will confine long term borrowing to capital improvements and projects that have useful lives of ten to twenty years, these improvements should not be financed through current revenue or fund equity
 - The County will follow a policy of full disclosure in its Annual Financial Report

FUND BALANCE POLICIES

The Fund Balance Policy was adopted by the Habersham County Board of Commissioners in 2005 and was revised in 2011.

- **Committed Fund Balance:** The Board of Commissioner’s has authority to set aside funds for a specific purpose, any funds set aside as a Committed Fund Balance requires the passage of a resolution. The passage of the resolution must take place prior to the end of the applicable fiscal year. If the actual amount of the commitment is not available by the end of the fiscal year, the resolution must state the process to calculate the actual amount as soon as information is available. Commitments may be changed or lifted only by the Commissioners if they take the same formal action that imposed the constraint originally.

FURTHER CLARIFICATION ON COMMITTED FUND BALANCES:

- **Rainy Day/ Stabilization Plan:** Or, maintaining a financial stabilization fund to meet unexpected revenue shortfalls or financial emergencies. The fund balance target for the General Fund shall not be less than 17% of regular general fund operating revenues or regular general fund operating expenditures. Additionally, any proposed appropriation that would result in the balance of the fund falling below the minimum fund balance ratio must be accompanied by a restoration plan that brings the fund to the minimum within 3 years.
- **Assigned Fund Balance:** Assigned Fund Balance consists of amounts that are intended to be used by the County for a specific purpose. Intent can only be expressed by the Commissioners or their designee. Assigned Fund Balance differs from Committed Fund Balance in that assignments do not require a resolution, but instead require a majority vote of the Board of Commissioners. However, the County Finance Director has been authorized by the Board to assign fund balance in the following situations:
 - If upon passage of a budget resolution, any fund balance is used to balance a future budget
 - If any unspent funds for an ongoing capital project remain at fiscal year-end, these funds will automatically be recorded as Assigned Fund Balance until the project is complete
 - If any residual fund balance exists in a Special Revenue Fund, they will be automatically recorded as Assigned.
- **Unassigned Fund Balance:** Unassigned Fund Balance is the amount of funds in the General Fund which are not classified as either non-spendable, restricted, committed, or assigned. The Unassigned Fund Balance represents resources available for immediate appropriation by the Commissioners, and no use of these funds is permitted without approval by the Board of Commissioners. The County will make every effort to use Unassigned Funds for the following purposes, listed in order of priority:
 - To maintain the Rainy Day Fund at the prescribed level
 - To address unexpected revenue short-falls or expenditures encountered in the current fiscal year
 - To fund non-recurring capital expenditures. Unassigned Fund Balance will not be used to fund recurring expenditures or to compensate for structural budget deficits.
- **Order of Fund Balance Use:** When multiple categories of fund balance are available for expenditure, the County will start with the most restricted category and spend those funds before moving to the next category with available funds. For example: if a project

is funded by bond proceeds and assigned fund balance, the County would be required to use the bond proceeds first to pay expenditures since the use of bond proceeds is more restrictive than use of assigned fund balance.

- Reports to the Governing Body: The Finance Director shall present, at least on an annual basis, a report detailing the amounts of spendable fund balance available. This report may be integrated into the Annual Financial Report, Interim Financial Reports, or as stand-alone reports.
- Special Revenue Funds: The Finance Director shall be charged with maintaining a listing of all Special Revenue Funds reported by the County. This listing shall include the purpose of the fund and the significant restricted or committed revenue streams that are the basis for establishing the fund.

REVENUE SOURCES

OVERVIEW

Habersham County is funded through a variety of different revenue sources, which are spent on funding government operations, services, and/or enterprise operations. The total Government-wide budget for FY2019 is \$39,720,602, a 42% increase from the FY2018 original budget. The significant increase reflects the transition of the management of the EMS from Habersham Medical Center to Habersham County in March of 2018. As well as, the construction of the Administration Building within the CIP Fund. Additionally, the total General Fund budget for FY19 is \$22,825,743, a 13% increase from the FY18 budget. The primary sources of revenues described below are listed from the largest revenue source to the smallest revenue source within the General Fund.

PROPERTY TAXES

Property taxes make up the largest portion of the General Fund of Habersham County. Each year, the Board of Tax Assessors appraises property at fair market value and compiles the annual tax digest. Property Taxes are budgeted at \$13,301,671 for the FY19 General Fund. Habersham County also levies a Hospital Bond and Hospital Services property tax.

INSURANCE PREMIUM TAXES

Insurance Premium taxes are used to fund unincorporated fire protection, unincorporated animal control, and other unincorporated expenses for Habersham County. For FY18 the amount of insurance premium tax collected was \$1,838,518. The amount budgeted for FY19 is \$1,930,444. Annual insurance premium tax revenue is used in strict accordance with O.C.G.A. 33-8-8.3.

INTERGOVERNMENTAL REVENUES

Intergovernmental revenues are classified as any revenue obtained from another governmental entity. Intergovernmental revenues may include grants, fees owed to the County through intergovernmental agreements or contracted services, etc. Intergovernmental revenues are more difficult to calculate and predict since grants are not consistent, and contracts have the potential to change. For FY19 \$1,498,192 has been budgeted for Intergovernmental Revenues.

MOTOR VEHICLE TAX

Motor Vehicle Tax revenues includes Motor Vehicle Title Ad Valorem Tax and Vehicle Ad Valorem Tax. Motor Vehicle Tax is budgeted at \$1,301,306 for FY19, which is an increase of 9% from the FY18 original budget. Vehicle Ad Valorem Tax has been decreasing since FY13. Whereas, Motor Vehicle Title Ad Valorem has been increasing since FY13.

FINES, FEES & FORFEITURES

Fines, fees, and forfeitures are funds obtained through the judicial system of Habersham County. This revenue category is budgeted at \$1,012,543 for the FY19 General Fund budget, which is a decrease of 2% from the FY18 original budget. There are multiple Special Revenue Funds which are also funded through Fines, Fees & Forfeitures.

General Fund Revenue, Expenditures & Other Sources
(Uses)

General Fund Expenditures, Transfers & Other Uses FY2019

Revenues

The primary sources of revenue in the General Fund are Real Estate Taxes, Motor Vehicle Taxes and Insurance Premium Taxes. The total tax revenue is 80% of the County's total budgeted revenue.

Taxes

The majority of taxes collected are General Property taxes. Below is a graph that depicts the budgeted General Property tax vs. actual collected for the last eight fiscal years.

Gross and Adjusted Net M&O

The Board of Commissioners levies taxes based upon the Adjusted Net M&O, which is the Gross M&O assessed 40% Value less exemptions. Below is an eight year history of the Gross and Adjusted Net M&O Digest.

County Taxes Levied

The Board of Commissioners approves a millage rate each year, which in turn produces a Total County Taxes Levied as advertised on the Tax Digest and 5 Year History of Levy. Below is an eight year history of the County Taxes Levied.

County Taxes Levied with Value of Rollbacks

The Board of Commissioners is required to compute a "rollback" millage rate, which is the previous year's millage rate minus the millage equivalent of the total net assessed value added by reassessments of existing real property. During 2014, 2015, and 2016 the Board of Commissioners accepted the rollback rate and reduced the County Taxes Levied. Below is an eight year history of County Taxes Levied with the Value of Rollbacks for 2014 through 2016.

SAFETY

The Safety Program is designed to ensure employees work safely in all aspects of their jobs. The Safety and Wellbeing Committee was formed to educate the workforce on preventing work related injuries and illnesses. The Human Resources Director and Facilities Management Director serve as Co-Chairs of the Safety and Wellbeing Committee and oversee all safety and loss prevention efforts. The Safety Program initiatives are designed to help the County implement proactive measures to ensure the safety and health of County employees, protection of property, and compliance with the safety discount program. The Safety and Wellbeing Committee also promotes healthy lifestyles for employees through education, training, and wellness events.

Goal #1: Coordinate quarterly Safety and Wellbeing Committee meetings.

Goal #2: Implement initiatives to become eligible for the 7.5% discount on our Workers' Compensation premiums.

TAX ASSESSORS

The Tax Assessor's office operates under a five-member Board of Tax Assessors comprised of local taxpayers appointed for three-year terms by the Board of County Commissioners. The primary responsibility of the Tax Assessors Office is to appraise property at fair market value as of January 1 of each year and to compile the annual tax digest. The appraisal staff is required to adhere to the Appraisal Procedures Manual established by the Georgia Department of Revenue. The staff is responsible for tracking ownership changes, parcel boundaries, zoning, use, building and property characteristics, tax exemptions, trends in sales prices, constructions costs, rent rates, incomes, expenses and personal property assets in order to appraise property values each year.

Goal #1: Ensure a re-appraisal of the tax digest is completed.

Goal #2: Ensure Appraisers receive necessary training to obtain a higher certification level.

Budget Highlights:

FY2019 budget reflects a decrease in Advertising of \$100, a decrease in Travel of \$500, an increase in Training/Conferences of \$400, an increase in Dues of \$80, a decrease in Lease Payments of \$504 and an increase in Supplies, Books & Periodicals of \$489.

Department Budget Overview

ELECTIONS & REGISTRATION

The Elections and Registration Department operates under a five-member Board of Elections and Registration comprised of local taxpayers appointed for four-year terms. The Board of Commissioners appoints one member at large, the Republican Party appoints 2 representatives, and the Democratic Party appoints 2 representatives every four years. The Elections Supervisor is responsible for overseeing the department as well as serving as an ex-officio member of the Board. This department is responsible for conducting fair and impartial elections and registering residents to vote. Elections and Registration are conducted in accordance with the Georgia Election Code, U.S. Justice Department Regulations, State Election Board Rules, and Federal and Local Laws. Additionally, the department establishes boundaries for voting precincts; secures facilities to serve as polling locations; recruits, selects, hires, trains, and assigns personnel to serve as poll officials; conducts qualifications for candidates; develops ballots for elections; acquires, maintains, prepares, and delivers equipment used to conduct elections; publicizes notices as required by law; and maintains elections records.

Goal #1: Ensure fairness, integrity, and accuracy in all Habersham County Elections including the General Primary/Special Election Runoff (July 24, 2018), General /Special Election (November 6, 2018), General/Special Election Runoff (December 4, 2018), and General Election Runoff for Federal Races (January 8, 2019).

Goal #2: Keep accurate records of voter registration and ensure that all election records and notices comply with local, state, and federal rules and regulations

PUBLIC WORKS

Department Budget Overview

ROADS & BRIDGES

The Roads and Bridges Department oversees the maintenance and safety of County roads and bridges. Each year, the County participates in the LMIG program through which roads that require the most immediate attention are re-paved. During inclement weather situations the Road Department works to ensure that County roads and bridges are clear of debris and safe to travel. Additionally, the Road Department maintains the right-of-way of County roads and receives and responds to road service requests.

Goal #1: Add additional roads to the Speed Ordinance so the Sheriff's Office can run radar on more roads.

Goal #2: Implement new recordkeeping practices along with updated work order system, to make the department much more efficient and manageable.

MAGISTRATE COURT

The Habersham County Magistrate Court, which is often referred to as the People's Court, was created by the 1983 Constitution of Georgia to replace the Justice of the Peace and Small Claim County Courts throughout the 159 Counties in our State. Magistrate Court was created to assist litigants in representing themselves in Small Claim Cases. Businesses and individuals can sue, and be sued, in Magistrate Court. Almost all criminal proceedings originate in Magistrate Court.

The case load in Magistrate Court varies from week to week and year to year. Demographics and the economy certainly play a role in small claims, personal property foreclosure, and dispossessory actions.

Goal #1: Continue to utilize technology in the best, most cost-effective way to improve services provided by the Court.

Goal #2: Continue to alleviate the burden on the higher courts by resolving issues at the Magistrate level, whenever possible, pursuant to the law.

Department Budget Overview

JUVENILE COURT

The Mountain Judicial Circuit Juvenile Court serves a specialized role in the Georgia Judiciary, focusing on the wellbeing of children, families and the public under the court's jurisdiction, providing guidance and control as necessary, while balancing the needs and best interests of the community. The court has jurisdiction over most children under the age of 17 who are charged with violating any law or are deemed runaways, ungovernable, or beyond parental control. The court also hears all cases involving allegations of dependency of children under the age of 18 found within its jurisdictions.

The mission of the Juvenile Court is to fairly and impartially decide cases and administer justice while ensuring that children are protected, families are reunited if possible, delinquent youth are rehabilitated, and the community is safe.

Budget Highlight:

Approved to change Administrative Assistant from Part Time to Full Time. FY2019 budget reflects an increase in Court Reporter of \$1,000, an increase in Court Appointed Attorney of \$10,000, and an increase in Contracted Services of \$11,081.

STATE COURT

The State Court system in Georgia was established by a 1970 legislative act that designated certain existing county-wide courts of limited jurisdiction as State Courts. State Courts may exercise jurisdiction over all misdemeanor violations, including traffic cases, and all civil actions, regardless of the amount claimed, unless the Superior Court has exclusive jurisdiction. The Georgia Constitution grants State Courts authority to review lower court decisions as provided by statute.

Department Budget Overview

CORONER

The Coroner is charged with investigative, judicial, and administrative duties. The investigative duty of the Coroner is to help establish the cause and manner of death. Judicial responsibilities include holding an inquest, as applicable, or an "official judicial inquiry before a Coroner and a Coroner's jury for the purpose of determining the cause and manner of death." It requires a great deal of time to set up an inquest, issue subpoenas, and conduct an inquest. Lastly, the administrative duties include properly documenting and filing death investigations both locally and with the State, and sitting in on committee review cases as needed.

PUBLIC SAFETY

Department Budget Overview

FIRE DEPARTMENT

The Habersham County Fire Department is dedicated to the education, life-safety, and protection of all Habersham County residents and visitors. The Habersham County Fire Department currently operates 9-stations with 21 full-time paid personnel and about 50 volunteers covering 283 square miles. The Fire Department holds Automatic Aid Agreements with four Habersham County municipalities and two neighboring counties.

Habersham County's full-time firefighters stay up to date with regular training and are required to maintain a minimum of 240 training hours per year. The role of the firefighter today is one of the most diverse and challenging professions in the world. Habersham County firefighters are trained to extinguish fires, provide emergency medical care, respond to hazardous materials accidents and to take the lead in the wake of natural disasters.

Goal #1: Improve ISO Ratings within the community and increase productivity within the department by purchasing an additional tanker truck.

Goal #2: To "fit test" all certified personnel for Self-Contained Breathing Apparatus (SCBA) Masks in order to provide each individual with a properly fitted mask.

Budget Highlights:

Department Budget Overview

EMERGENCY MANAGEMENT AGENCY

The Emergency Management Agency is responsible for the management of all emergency preparedness program areas within Habersham County. The primary role of the agency is to develop and implement comprehensive disaster plans, mitigation, and response activities within Habersham County under the provisions of the Georgia Emergency Management Act of 1981 and Georgia statutes. Additionally, the EMA develops and maintains emergency plans for all types of natural, technological and man-made disasters, or other emergencies that could threaten the county, and provides the analysis and recommendations necessary to make decisions that will effectively save lives and protect property in the occurrence of such emergencies.

Goal #1: Maintain operational readiness of the Emergency Operation Center (EOC); which develops, implements and tracks divisional short and long term goals, objectives, organizational structure, and performance measures.

Goal #2: Coordinate training, exercises, and after action critique with all agencies involved with the Habersham County Local Emergency Operation Plan (LEOP).

Goal #3: Obtain grants when available for additional equipment to be used throughout the county.

Budget Highlights:

FY2019 budget reflects a decrease to Gema Disaster Mitigation Grant of \$27,740, an increase in Travel Expense of \$400, an increase in Non-Vehicle Parts/Repair/Maintenance of \$500, an increase in Contracted Services of \$2,000, an increase in Lease Payments of \$950, a decrease in HART Team Materials \$4,000, an increase in Utilities of \$600, an increase in Gas/Oil of \$100, and an increase in Tires/Tubes of \$350.

Department Budget Overview

PLANNING & DEVELOPMENT

The Habersham County Planning and Development Department was created in 2015 to provide professional advice and technical expertise to the Board of Commissioners, County Manager, appointed boards, and citizens on various projects and programs which are designed to enhance private sector investment in Habersham County. The Department encompasses several sub-departments including Building, Planning, Code Enforcement, GIS Mapping, and Business Licensing, which each have key roles in shaping and defining our County.

Goal #1: Reduce the processing time for a business license renewal to no more than two weeks at the beginning of the calendar year during peak renewal season.

Goal #2: Rewrite, and have approved, the Comprehensive Land Development Resolution by the end of fiscal year 2019.

Budget Highlights:

FY2019 budget reflects an increase in Telephone of \$54, an increase in Advertising of \$2,109, a decrease in Travel Expense of \$500, an increase in Postage of \$25, a decrease in Training/Conferences of \$2,000, a decrease in Contracted Services of \$500, an increase in Internet of \$457, an increase in Background Checks of \$80, an increase in Bank Fees of \$1,400, a decrease in Uniform Allowance of \$100, an increase in Gas/Oil of \$944, a decrease in Supplies of \$400, a decrease in Meetings With Meals of \$300, and a decrease in Small Equipment Under \$5,000 of \$554.

EXTENSION SERVICES

The Habersham County Extension Office provides residents of Habersham County with a diverse array of information, educational programming and testing services. The Extension Service's Agricultural and Environmental Services Laboratories (AESL) provides a variety of analysis and testing services related to agriculture and agribusiness including: soil analysis, plant tissue analysis, water quality testing, pesticide and hazardous waste testing, etc. In addition to the services provided by AESL, the Extension Office provides educational services through 4-H and other programs.

Goal #1: Increase participation and achievement in 4-H activities and contests. We have 2 students hoping to Master at 4-H State Congress after winning at the District Level. We've had several top 3 finishes at District Judging Team competitions. We're hopeful that these students might progress to winning at the State Level in 2019.

Goal #2: We are working hard to secure additional grant dollars for watershed restoration projects within the county.

Budget Highlights:

FY2019 budget reflects an increase in Dues of \$150 and an increase in Contracted Services of \$3,237.

CULTURE & RECREATION

Department Budget Overview

RECREATION DEPARTMENT

The Habersham County Parks and Recreation Department works hard all year to provide Habersham County residents with diversified youth and adult programs and activities. These programs include football, basketball, cheerleading, pickle ball, tennis, volleyball, track & field, ping pong, gymnastics, swimming, and more! In addition to providing these services, the Recreation Department has facilities that outside participants can rent or use; these include: aquatic center pools and gymnasiums, fairgrounds, ballfields, etc.

Goal #1: Host more tournaments and events at the recently renovated 4-field complex and other Recreation Center facilities. We hope to continue to increase tournament rentals from FY18 to FY19. All forms of tournaments are welcome, including adult softball, youth baseball/softball and soccer.

Goal #2: Continue to improve facilities for the community to appreciate and utilize. Specifically, by replacing the natatoriums dehumidification system, renovating meeting spaces at the Aquatic Center, adding staircase accessibility to lower soccer restrooms, renovating lower soccer restrooms, remodeling pool deck restrooms and offering better handicap parking and accessibility to Diamond Memorial Little League Complex.

Budget Highlights:

FY2019 budget reflects an increase in Telephone of \$1,040, a decrease in Travel Expense of \$1,000, a decrease in Training/Conferences of \$750, a decrease in Dues of \$1,000, an increase in Non-Vehicle Parts/Repair/Maintenance of \$7,220, a decrease in Contracted Services of \$4,800, an increase in Rent of \$1,300, a decrease in Waste Disposal of \$900, an increase in Bank Fees of \$2,500, an increase in Tires/Tubes of \$50, and a decrease in Supplies of \$5,000.

SPECIAL REVENUE FUND

Department Budget Overview

Special Revenue Funds are funds collected for a specific purpose, and are not designated for use with anything outside of that purpose. The profiles shown below are a general overview of these funds, and more specific breakdowns of revenues and expenditures may be found on the following pages.

FAMILY DEPENDENCY TREATMENT COURT

Family Dependency Treatment Court is an intensive outpatient treatment program that combines substance abuse treatment, parenting classes, counseling, and accountability to maximize the success rate of participants in leading sober and fulfilled lives. The program works closely with DFACS to meet the best needs of children in families participating and is 90% grant funded with a 10% matching component.

Goal #1: Have at least 60% of accepted participants graduate from the program with 6 or more months of clean drug screens.

Goal #2: Have at least 70% of graduates go 3 years or longer without any new criminal charges or new Juvenile Dependency cases opened.

Budget Highlights:

FY2019 budget reflects an increase in Contracted Services of \$16,810, an increase in Drug Testing of \$2,873, a decrease in Misc Expense of \$1,000, a decrease in Small Equipment Under \$5,000 of \$500, and an increase in Special Events of \$1,200.

SPECIAL REVENUE FUNDS

Department Budget Overview

Special Revenue Funds are funds collected for a specific purpose, and are not designated for use with anything outside of that purpose. The profiles shown below are a general overview of these funds, and more specific breakdowns of revenues and expenditures may be found on the following pages.

EMERGENCY MEDICAL SERVICES

Habersham County Emergency Medical Service is a full Advanced Life Support (ALS) service that provides ALS assessment, treatment, and transportation as well as Mobile Integrated Health-Community Paramedicine to sick and injured residents and visitors of Habersham County. This service handles approximately 8,500 emergency, non-emergency transportation, and in-home patient visits (MIH) calls per year. Historical information can be found under the Emergency Medical Service in the General Fund.

Goal #1: Continue to replace safety equipment on a regular schedule to ensure up-to-date, efficient, and cost-effective equipment is being utilized. Grant funding will be used when available.

Goal #2: Continue with Mobile Integrated Health-Community Paramedicine to assure those who cannot care for themselves and those who frequently utilize EMS and hospital services, are cared for in their home, educated on their conditions and medicines, and are paired with a Primary Care Physician to reduce unreimbursed ambulance trips and E.R. visits.

Budget Highlights:

FY2019 budget reflects transition of Employees and Administration of EMS from HEMC to Habersham County.

Note:

- Little League Handicap Parking: In desperate need of resurface, expansion and parking space lines
- Poolpak Replacement: Coils for the refrigeration system are busted and the HVAC side of the Poolpak is inoperable. Only functioning 50% of what it should.
- Lower Soccer Stairway: There is no access point for the patrons of the lower soccer complex to get to the restrooms.
- Lower Soccer Restroom Renovations: Simply put, they are deplorable. In need of complete gutting and ventilation
- Lower Soccer Field Light Replacement: Improperly located on the field for proper lighting. Low candle lit, wooden poles warped, ballast and wiring issues which cause constant unexpected outages.
- Upper Soccer Field Light Replacement: Improperly located on the field for proper lighting. Low candle lit, wooden poles warped, ballast and wiring issues which cause constant unexpected outages.
- Gymnastics Lobby Vinyl Laminate Floor: Concrete painted floor scratches and chips. Not a welcoming lobby.
- Folding Tables (48) and Chairs (80): Time for replacements. Half of the chairs and tables are mismatched in color and do not have adequate caps on the legs to prevent scarring of the floors.
- Remodel Pool Deck Restrooms to multiuse: To give patrons the option to utilize a shower/locker room privately.
- Pickleball Complex: Pickleball is an outdoor sport. All we have are multiuse courts indoors. In need of keeping up with local counties expanding their pickleball programs.

ENTERPRISE FUNDS

Department Budget Overview

Enterprise funds are used to account for operations that are financed and operated in a manner similar to private business enterprises. The funds are self-supporting in nature where the costs, including depreciation, of providing goods or services to the general public on a continuing basis are financed or recovered primarily through user charges.

TRANSIT FUND

This fund is used to account for activities related to the County's on-call bus service, which is available to any County resident.

Goals #1: Provide timely and affordable transportation to the citizens of Habersham County.

Goals #2: Perform daily activities efficiently, timely, and with the utmost respect and kindness to passengers.

Budget Highlights:

FY2019 budget reflects a decrease in Telephone of \$50, a decrease in Advertising of \$200, a decrease in Vehicle Parts/Repair/Maintenance of \$500, a decrease in Contracted Services of \$1,100, an increase in Alcohol & Drug Testing of \$500, a decrease in Uniforms of \$100, a decrease in Gas & Oil of \$700, a decrease in Tires/Tubes of \$500, a decrease in Supplies of \$150, and a decrease in Small Equipment Under \$5,000 of \$350.

HABERSHAM COUNTY

GEORGIA | Est. 1818

HABERSHAM COUNTY FISCAL YEAR 2019 BUDGET GLOSSARY OF TERMS

Accountability: monitoring, measuring and evaluating the performance and progress of policies, plans, and programs to ensure that intended results are achieved.

Accrual Accounting: a method of accounting in which transactions are recorded at the time they are incurred, as opposed to when cash is received or spent.

Adopted (Approved) Budget: the funds appropriated by the County Commissioners at the beginning of the year.

Ad Valorem Tax: a tax based on the value of property.

Amended Budget: it is the adopted budget plus additional expenditures appropriated resulting from a legislative body's decisions made throughout the year and any re-organizations.

Appropriation: an authorization made by the County Commissioners which permits officials and department heads to incur obligations against and make expenditures of governmental resources.

Assessed Valuation: the value placed on property for purposes of taxation. Habersham County accepts assessment of real and personal property at 100% fair market value.

Bond: a written promise to pay a specified sum of money (called principal or face value) at a specified future date along with periodic interest paid at a specific percentage of the principal. Bonds are typically used for long-term debt.

Budget: the financial plan for the operation of a department, program, or project for the current year, or for the duration of the project.

Budget Amendment: the transfer of funds from one appropriation account to another, requiring approval of by the County Commissioners.

Budget Calendar: the schedule of key dates or milestones the county follows in the preparation, adoption, and administration of the budget.

Budget Document: the documents used by the budget committee to present a comprehensive financial program to the appropriating governing body.

Budget Resolution: the official enactment by the County Commissioners legally authorizing county officials to obligate and expend resources.

Budget Officer: those local government officials charged with budget preparation and administration for the local government. The official title of the local government budget officer shall be as provided by local law, charter, ordinance, or appropriate resolution of the governing authority.

Budget Period: the period for which a budget is proposed or a budget ordinance or resolution is adopted.

Budgetary Control: the control or management of a governmental unit or enterprise in accordance with an approved budget for the purpose of keeping expenditures within the limitations of available appropriations and available revenues.

Capital Budget: the first year of the capital improvements plan as approved by the Commission.

Capital Improvements Plan (CIP): a plan for capital expenditures to be incurred each year over a three to six year period. This plan will meet the capital needs as defined in the long-term work program of departments and other agencies of the local government. It sets forth each project and it specifies the resources estimated to be available to finance the projected expenditures.

Capital Projects: projects that result in the acquisition or construction of capital assets which are of a long-term and permanent nature. Such assets include land, buildings, and related improvements, streets and highways, bridges, sewers and parks.

Cash Basis Accounting: a basis of accounting under which transactions are recognized only when cash is received or disbursed.

Contingency: funds set aside for unforeseen future needs and budgeted in an account, these can be transferred to a departmental budget only by action of the County Commissioners.

Contractual Services: services rendered to a government by private firms, individuals, or other governmental agencies. Examples include utilities, rent, maintenance agreements, and professional consulting services.

Cost Center: the allocation of resources by functional area within an agency or department.

Debt: an obligation resulting from the borrowing of money or the purchase of goods and services.

Debt Service: the cost of paying principal and interest on borrowed money according to a predetermined payment schedule.

Debt Service Fund: the fund used to account for the accumulation of resources for and the payment of, principal and interest on long-term debt, specifically bond issues.

Department: a major administrative division of the county with indicated overall management responsibility for an operation or a group of related operations within a functional area.

Depreciation: the portion of the cost of a fixed asset charged as an expenditure during a particular period. The cost of a fixed asset, less any salvage value, is prorated over the estimated service life of such an asset, and each period is charged with a portion of such cost.

Enterprise Fund: a fund in which the activities are supported entirely or primarily by charges and fees paid by the users of the services.

Expenditure/Expense: this term refers to the outflow of funds paid or to be paid for an asset obtained or goods and services obtained regardless of when the expense is actually paid. "Expenditure" applies to governmental funds, and "expense" to proprietary funds.

Fiscal Year: the time period designated by the county signifying the beginning and ending period for recording financial transactions.

Fixed Assets: assets of long-term character that are intended to continue to be held or used, such as land, buildings, machinery, furniture, and other equipment.

Franchise Fees: a fee levied on utilities in exchange for allowing the utilities the use of public right-of-way.

Fund: an independent fiscal and accounting entity with a self-balancing set of accounts. These accounts record cash and other assets together with all related liabilities, obligations, reserves, and equities. Funds are segregated so that revenues will be used only for the purpose of carrying out specific activities in accordance with special regulations, restrictions, or limitations.

Fund Balance: refers to the excess of assets over liabilities and is generally known as an amount available for appropriation.

Fund Balance (Assigned): amounts a government intends to use for a particular assigned purpose.

Fund Balance (Committed): amounts constrained by a government using its highest level of decision-making authority.

Fund Balance (Restricted): amounts constrained by external parties, constitutional provision, or enabling legislation.

Fund Balance (Unassigned): amounts that are not constrained at all, and are reported in the general fund.

General Fund: the fund used to account for all financial resources except those required to be accounted for in another fund.

Generally Accepted Accounting Principles (GAAP): uniform minimum standards for financial accounting and recording, encompassing the conventions, rules, and procedures that define accepted accounting principles.

General Obligation Bonds: bonds whose principal and interest are paid from property tax for debt service and are backed by the county's full faith and credit. Approval by referendum vote is required for general obligation bonds to be issued.

Governmental Funds: funds used to account for the acquisition, use and balances of expendable financial resources and the related current liabilities – except for those accounted for in proprietary funds and fiduciary funds.

Grant: a contribution of assets (usually cash) from one governmental unit or organization to another. Typically, these contributions are made to local governments from State or Federal governments to be used for specific purposes and require distinctive reporting.

Legal Level of Control: the lowest level of budgetary detail at which a local government's management or budget officer may not reassign resources without approval of the governing authority. The legal level of control shall be, at a minimum, expenditures for each department for each fund for which a budget is required. This does not preclude the governing authority of a local government from establishing a more detailed level of budgetary control than the minimum required legal level of control.

Levy: to impose taxes, special assessments, or service charges for the support of government activities.

Liabilities: probable future sacrifices of economic benefits, arising from present obligations of a particular entity to transfer assets or provide services to other entities in the future as a result of past transactions or events. A budget prepared along departmental lines that focuses on what is to be bought. It lists each category of expenditures and revenues by fund, agency, department, division, and cost center.

Long-Term Debt: debt with a maturity of more than one year after the date of issuance.

Mill: one one-thousandth of a dollar of assessed value. A tax rate of one mill produces one dollar of taxes for each \$1,000 of assessed property valuation.

Millage Rate: the ad valorem tax rate expressed in the amount levied per thousand dollars of the taxable assessed value of property.

Modified Accrual Accounting: a basis of accounting in which revenues are recorded when collected within the current period or soon enough thereafter, to be used to pay liabilities of the current period and expenditures are recognized when the related liability is incurred.

Operating Budget: the portion of the budget pertaining to daily operations that provide basic governmental services. The operating budget contains appropriations for such expenditures as personal services, fringe benefits, commodities, services, and capital outlay.

Personal Property: property that can be moved with relative ease, such as motor vehicles, boats, machinery, and inventoried goods.

Property Tax: tax based on assessed value of a property, either real estate or personal. Tax liability falls on the owner of record as of the appraisal date.

Proprietary Funds: used to account for government's ongoing organizations and activities that are similar to those found in the private sector.

Public Hearing: a specifically designated time, place, and opportunity for citizens, community groups, businesses, and other stakeholders to address the legislative body on a particular issue. It allows interested parties to express their opinions and the legislative body and/or staff to hear their concerns and advice.

Real Property: land, buildings, permanent fixtures, and improvements.

Revenue: funds that the county receives as income. It includes such items as taxes, licenses, user fees, service charges, fines, penalties, and grants.

Revenue Bonds: bonds whose principal and interest are payable exclusively from specific projects or special assessments, rather than from general revenues. These bonds do not require approval by referendum.

Sinking Fund: a reserve fund accumulated over a period of time for retirement of a debt.

Special Revenue Fund: a fund in which the revenues are designated for use towards specific purposes or activities.

SPLOST (Special Purpose Local Option Sales Tax): an additional 1 percent sales tax that may be imposed for a specific time period on the same items as State sales tax. The tax may be levied with voter approval and must be used for specific capital projects or capital outlay.

HABERSHAM COUNTY

HISTORICAL OVERVIEW

Habersham County was formed from two Cherokee Cessions, the first on July 8, 1817, and the other on February 27, 1819 (Legislative Acts of December 15, 1818, and December 19, 1818). It was named for Colonel Joseph Habersham and was originally 31 miles long and 23 miles wide, with an area of 713 square miles. The four main settlements in the county were Tugaloo, Soque, Nacoochee, and Batesville.

Parts of the county were later split off to become part of the counties of Rabun (1828, District 16, on the south side of the Tallulah River), Lumpkin (1832), Banks (1858), White (1857), and Stephens (1905), leaving the present size at 279 square miles.

On April 10, 1819, the first county officers were elected. In August of that same year, the first recorded session of court was held in the first courthouse, approximately four miles from where Clarkesville would be situated. In 1823, the county seat of Clarkesville was chartered and named for the Revolutionary General and Governor, John C. Clarke; and the original courthouse was replaced by one located in Clarkesville.

Shortly thereafter, in 1828-1829, discovery of gold in the Nacoochee Valley triggered "gold fever". Several mines began operation. Before it ended, the gold rush had brought wealth and new permanent or summer residents. Gold miners in the Nacoochee Valley also discovered in 1834 the remains of a subterranean Indian village of 34 log houses along with cane baskets and earthenware. The village was below the ground at a depth of seven to nine feet. (Note: "The Historical News" attributes the discovery to Spanish exploration and mining.)

During the 1830s, coastal Georgia residents trying to avoid malaria made Habersham their summer home. Clarkesville, with three hotels, became known as a fashionable summer resort. Besides Clarkesville, Tallulah Falls also attracted visitors; and later on, towards the end of the 18th century, Mt. Airy and Cornelia were founded and became popular with summer residents and tourists.

By 1845, the population had grown to 8,411. Records from that time reveal that many of the inhabitants made a living growing and selling wheat, corn, cotton, and apples; weaving jeans or making saddle cloths; or working in one of the sawmills, gold mills, jug factories, or distilleries.

Year after year came and went with the same peaceful routine of life: buying, selling, planting, harvesting, marrying, raising children, attending church. During the 1840s and 1850s, who among the inhabitants of this peaceful era could have visualized the anxiety, anguish and fear that the Civil War would bring?

During that war, approximately 1,000 men from the county fought for the Confederacy in almost every important battle, many never to return. Besides men, the County contributed cannons forged by the Habersham Iron Works and Manufacturing Company. Some of the cannons, stamped "Habersham Iron Works", can still be seen at the Chickamauga National Battleground.

Although life was hard due to war and the ensuing reconstruction years, the county began to recover, especially after railways were built. The Southern Railway opened in Habersham on July 17, 1873. Mt. Airy has the distinction of being the highest point on that railway. The famous Tallulah Falls Railroad also ran for many years. Although the Tallulah Falls Railroad was abandoned in 1961, it can be seen in the movies "I'd Climb the Highest Mountain" and "The Great Locomotive Chase."

New immigrants also contributed to Habersham's recovery. Around 1880, German and Swiss immigrants began to move into the area to grow grapes and make wine. Before a profit could be made on this industry, however, the county became dry; and many of the German-Swiss moved away, although some remained to farm and to become citizens. Around 1920, apple growers from England, Canada, and the North helped to make the apple industry an important source of revenue for the county.

In the latter part of the 19th Century, new technologies, such as the telephone (introduced in 1898 with the formation of the Clarkesville Telephone Company), eventually would cause major changes in the way of life of the county's residents.

Progress brought problems however. By the late 1890s, Clarkesville still had not grown as large as the city of Toccoa. Toccoa wanted to assume the role of county seat. For several years, the debate continued. Although in 1898 someone blew up its courthouse with dynamite, Clarkesville eventually retained the privilege. Toccoa then campaigned for the creation of a new county with itself as county seat, and in 1905 Stephens County was formed.

ECONOMIC REALITIES AND OUTLOOK

Habersham County continues to work to maintain healthy fund reserves and provide services to its citizens. The County is well positioned for economic growth and prosperity but has experienced moderate recovery since the 2008 recession. The County will continue to face challenges due to slow economic growth.

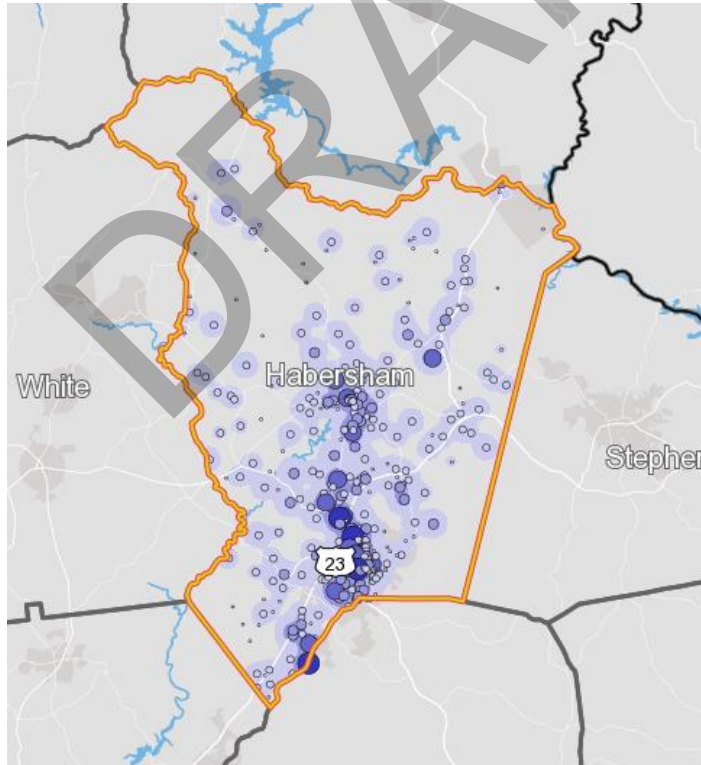

The following key issues and factors are considered in preparation of the budget so that Habersham County can meet those challenges:

- Housing starts and retails sales related to commercial construction continue to be a concern.
- Continued increased reliance on residential taxes and the Special Purpose Local Option Sales Tax (SPLOST).
- Rising costs of healthcare and insurance benefits.
- Need for additional qualified personnel, and funding for personnel development and training. In addition, the County's youth continues to leave the County after college due to a lack of professional employment opportunities.

Habersham County has taken the following steps in an effort to change the economic development outlook and improve citizens' lives:

- With one of the area's newest industrial parks, Habersham County has over 120 acres available offering ample choices for nearly all types of businesses and industries.
- Continuous support and increasing activity of the Economic Development Council and Development Authority.
- Recent creation of a Technical Review Committee to streamline the development review process and the updating of the business recruitment and expansion incentives offered to foster a pro-business environment.
- Partnering with federal and state governments in order to extend the runway of the Habersham County Airport to 5,500 feet, while a taxiway extension project is currently under construction. Future airport improvements will include a new terminal building.
