**F.A.N.S. notifies Georgia property owners of filings related to their property**

The Habersham County Superior Court Clerk's Office, in conjunction with the Georgia Superior Court Clerks' Authority, is rolling out Filing Activity Notification System (FANS), providing Georgia residents with tools to monitor activity regarding their property filings and records.

"I continue to seek helpful opportunities that benefit property owners in Habersham County," said Habersham County Clerk of Superior Court David C. Wall.

F.A.N.S. is a free, voluntary opt-in program that can be used to send electronic notifications of filing activity to individuals related to their registered personal property, liens, and plat filings.

The Georgia Superior Court Clerks' Authority said while the system is not guaranteed to be accurate or complete, it gives property owners the tools to monitor filing activity that could help prevent property fraud.

To get started, go to <https://fans.gsccca.org> and follow the prompts.

Anyone with questions about F.A.N.S. can call the Office of Superior Clerk at (706) 839-0300, or the Georgia Superior Court Clerks' Cooperative Authority customer support at (800) 304-5174 or [help@gsccca.org](mailto:help@gsccca.org).
