Habersham County's match, if any, and those of other municipalities or local agencies (i.e. Habersham County School Board) "each fiscal year, to meet the County's "obligation" for the applicable fiscal year for the respective grant. This provides the "flexibility" to insure that the obligations of the County and its partner(s) can be met after evaluation of grant funding and operation.

The Habersham County Commission appropriates or budgets for capital projects based on the "total cost" of the project, irrespective of the time frame or fiscal years which may elapse between authorization and completion/acquisition. At anytime, the Commission may "de-authorize" or transfer project funding upon evaluation of project cost, funding, and/or status. This schedule denotes only what funding is projected or expected to be provided or received during the fiscal year and those funds "expected" or "projected" to be expended during the same period.
